8. Appointment of auditor

The Board of Directors proposes that Deloitte Statsautoriseret Revisionspartnerselskab be re-appointed. The proposal is based on a recommendation from the Audit Committee, and it is not influenced by third parties and has not been driven by any agreement with a third party that could restrict the choice of the General Meeting to certain auditors or audit companies.

9. Proposals from the Board of Directors

(a) **Renewal of the Board's powers to increase the share capital (article 4a of the Articles of Association)**

The Board of Directors proposes that the Board should be granted new powers to increase the AA and B share capital, as the present authorisation under articles 4a.1-4a.5 of the Articles of Association has been fully utilised; article 4a should then be headed "Authorisation to increase the AA and B share capital", and articles 4a.1-4a.5 should be worded as follows:

"4a.1 *The share capital may by resolution of the Board of Directors up to and including 11 March 2023 be increased by one or more issues of new shares with a nominal value of up to DKK 11,141,196, equivalent to AA shares with a nominal value of up to DKK 1,012,836, and B shares with a nominal value of up to DKK 10,128,360. On any increase of the share capital, the ratio between the two share classes shall remain unchanged, as A shares and AA shares are considered as a whole in this article 4a, and AA shares and B shares shall be offered at the same price. The share capital may be increased for cash or other consideration. Increases of the capital pursuant to this authorisation may take place at a price below the market price and shall be with pre-emption rights to all shareholders within the respective share classes.*

4a.2 *The share capital may by resolution of the Board of Directors up to and including 11 March 2023 be increased by one or more issues of new shares with a nominal value of up to DKK 11,141,196, equivalent to AA shares with a nominal value of up to DKK 1,012,836, and B shares with a nominal value of up to DKK 10,128,360. On any increase of the share capital, the ratio between the two share classes shall remain unchanged, as A shares and AA shares are considered as a whole in this article 4a, and AA shares and B shares shall be offered at the same price. Increases of the capital pursuant to this authorisation must be at market price and subscription must take place without pre-emption rights to the B shareholders.*

The Board of Directors may decide that the new shares may only be subscribed by one or more specific investors, by way of a specific creditor's swap of debt, or as full or partial consideration for the acquisition of an operation or specific assets. However, the Board of Directors shall not have the power to direct that the capital increase can only be subscribed by one or more specific investors for cash consideration. If the shares are offered at market price, the price of both the AA shares and the B shares shall be the market price of the Company's B shares.

4a.3 *Increases of the share capital pursuant to articles 4a.1 and 4a.2 may not in total exceed a nominal value of DKK 11,141,196, equivalent to AA shares having a nominal value of up to DKK 1,012,836, and B shares having a nominal value of up to DKK 10,128,360.*

4a.4 *AA shares subscribed and issued pursuant to articles 4a.1 and 4a.2 above shall be non-negotiable instruments, which shall be issued to bearer and be registered in the name of the holder in the Company's register of shareholders. The B shares subscribed and issued pursuant to articles 4a.1 and 4a.2 above shall be negotiable instruments issued as registered shares. No restrictions apply to the transferability of the new shares, see article 4.4 above.*

With the exception of the provision set out in article 4a.6, the AA shares shall have the same rights and obligations as A shares. If the authorisations under articles 4a.1 and/or 4a.2 are utilised, the A shareholders and the AA shareholders shall have joint pre-emption rights to the AA shares offered, and the pre-emption rights shall be exercised in proportion to each shareholder's nominal holding of A shares and AA shares.

4a.5 *The Board of Directors is authorised to amend the Articles of Association as a result of any capital increases made in pursuance of articles 4a.1 and/or 4a.2 above."*

As part of the proposal to adopt the new powers, it is proposed to revise a number of provisions of the Articles of Association in consequence of the wording of the authorisation, which entails the following amendments:

Article 4.2, first and second sentences, shall be worded as follows:

"Shares are issued as registered shares and are registered in the register of shareholders of the Company. A and AA shares are non-negotiable instruments and B shares are negotiable instruments, which are registered with VP Securities A/S."

Article 4.4 shall be worded as follows:

"No restrictions apply to the transferability of the A shares, AA shares or B shares."

In article 4.5, first sentence, "article 4a.1" shall be amended to "article 4a.2" and "and 4a.5" shall be deleted.

Article 4.6, first and second sentences, shall be worded as follows:

"The share capital may be increased by subscription of A shares, AA shares and B shares in the existing nominal ratio between the three share classes. A shareholders shall have pre-emption rights to new A shares, AA shareholders shall have pre-emption rights to new AA shares, but cf. article 4a.4, and B shareholders shall have pre-emption rights to new B shares."

Article 4a.6 shall be deleted; article 4a.7 shall be numbered as article 4a.6, and "and 4a.6 above" shall be deleted from the last sentence of article 4a.7.

(b) Change to requirements for participation in general meetings (article 6.1 of the Articles of Association)

The Board of Directors proposes that the requirements in the Articles of Association for participation by shareholders in the general meeting should follow the rules in the Danish Companies Act, whereby the Articles of Association should no longer require an admission ticket to be shown in order to participate. This proposal entails the following changes to the Articles of Association:

Article 6.1, second sentence, shall be worded as follows:

"The right to attend the general meeting is also subject to the shareholder having announced his participation in the relevant general meeting not later than three days before the date of the general meeting."

Article 6.1, second paragraph, shall be deleted.

Article 6.4, second sentence, shall be worded as follows :

"The proxy shall announce his participation in compliance with article 6.1 above."

In article 7.2, first sentence, "admission ticket" shall be deleted, and article 7.2, second sentence, shall be worded as follows:

"The documents set out above will be available on the Company's website: www.alk.net"

(c) Removal of the age limit for Board members (article 8.3 of the Articles of Association)

The Board of Directors proposes that the age limit of 70 for members of the Board laid down in the Articles of Association should be removed, as the Board believes, in accordance with the Danish Recommendations on Corporate Governance of 23 November 2017, that age does not in itself qualify or disqualify a Board member. As a consequence of this, it is proposed that article 8.3 in the Company's Articles of Association should be deleted, and the numbering of the subsequent sections within article 8 be amended accordingly.

(d) Change to details of the Company's registrar (article 4.3 of the Articles of Association)

The Board of Directors proposes that the address of the Company's registrar, VP Investor Services A/S, be replaced with the registrar's CVR number in article 4.3 of the Articles of Association. As a consequence of this, it is proposed that article 4.3 be worded as follows:

"The Company's registrar is VP Investor Services A/S, CVR number 30201183, which has been appointed by the Board of Directors as registrar."

(e) Change to the Articles of Association for Ingeniør Johannes Hansen's Fond

As any amendment to the Articles of Association for the Foundation has to be approved by the General Meeting, the Board of Directors of the Company proposes that article 9 of the Foundation's Articles of Association be amended to state that the Foundation itself should appoint an auditor to audit the Foundation's annual report. As a consequence of this, it is proposed that article 9, second paragraph, first sentence, should be worded as follows:

"The Foundation's annual report shall be audited in accordance with the law applicable to non-commercial foundations at any given time, by a legal or natural person appointed by the Board of Directors of the Company for one year at a time at the Board meeting at which the annual report of the Foundation is discussed."

(f) Addition to the general guidelines for incentive payments to the Board of Directors and the Board of Management

The Board of Directors proposes that the general guidelines for the Company's incentive payments to the Board of Directors and the Board of Management be adjusted due to the implementation of the new growth strategy, which will be ongoing until 2020. The growth strategy is described in more detail in company release no. 34/2017. The proposed amendments, which are meant to strengthen the incentive for senior managers of the Company, are presented in the draft version of the general guidelines for incentive payments to the Board of Directors and the Board of Management available at <http://ir.alk.net/agm.cfm>

(g) Authorisation to the chairman of the meeting

The Board of Directors proposes that the General Meeting authorises the chairman of the meeting, with power of delegation, to make such changes in and supplements to the resolutions adopted at the General Meeting and to the notification hereof as may be required by the Danish Business Authority or other authorities in connection with the registration of the amendments adopted, and to continuously make and notify linguistic and other amendments with no impact on content in the Company's Articles of Association.

**Majority requirements**

The agenda proposals under item 9(a) must be adopted by at least 2/3 of the votes cast and of the proportion of the share capital represented at the General Meeting, cf. Section 106(1) of the Danish Companies Act, and at least 2/3 of the proportion of the B shares represented at the General Meeting, cf. Section 162(6) of the Danish Companies Act and article 5.12 of the Articles of Association.
